

NEW!

Risk Manager™

Bedside Safety Mat

Independently documented, superior impact reduction provides an extra measure of bedside protection for fragile, at-risk residents.

5-Way Protection:

- **Impact-reducing**, proprietary elastomeric gel
- **Non-slip**, textured top surface
- **Non-skid**, slide-resistant bottom surface
- **Fire-resistant**, meets Cal TB 117

PLUS:

*Risk Manager exclusive—
Infused with Nano-silver*

Minimize the impact of falls— On your residents *and* on your facility.

Statistics don't lie. Despite the best efforts of the healthcare community, falls by nursing home residents and hospital patients do occur. When they do, the physical, legal, and financial impact can be devastating to all involved.

Span-America's new Risk Manager™ bedside safety mat is designed to help.

Science. Safety. Simplicity.

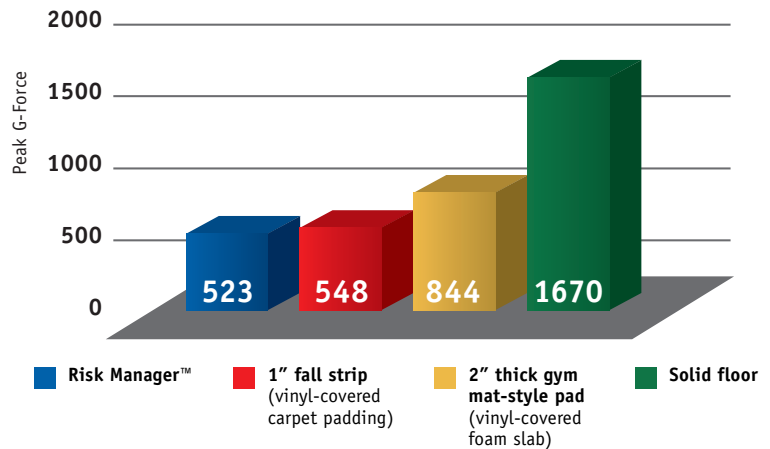

The Risk Manager is engineered from an ultra-tough, impact-absorbing lightweight elastomeric gel compound commonly used in expensive orthotics and premium footwear.

Independent laboratory testing¹ (see chart) verifies that the Risk Manager greatly reduces the peak G-forces generated by falls, easily surpassing the impact reduction provided by thicker, bulkier gym mat-style pads. It also outperforms the most commonly purchased specialty fall strip, which relies on the same low-tech foam scrap padding typically found under residential carpeting.

Best of all, the Risk Manager provides this performance while also delivering crucial advantages in cleanability, caregiver comfort, ease of use, and portability.

IMPACT TEST COMPARISON

Drop Height 36"

¹Source: National Technical Systems, Detroit Michigan. 2008. Results on file.

Premium elastomeric gel surface reduces impact from falls.

Bonus: Provides welcome comfort for bedside caregivers.

Nano-silver throughout. Protects mat from stains, odor-causing bacteria, mold and mildew. Mat wipes clean with most standard cleaning agents.

Non-skid bottom grips floor, helps keep mat in place. **Non-slip textured top** provides added safety.

Low profile and beveled edge allow easy on and off for wheelchairs and lifts.

Rolls up for easy transport, storage, and shipping. 25% lighter than leading fall strip.

Not a trip hazard, Unlike bulky gym-style mats. Thin, stable surface means staff won't move Risk Manager from beside bed.

Item #	Description	Qty/Case
37052	Risk Manager™ bedside safety mat, single	1/case
94612	Risk Manager™ bedside safety mat, bulk pack	5/case
Dimensions:	1" high x 23" wide x 70" long	
Warranty:	1 year	
Weight:	6 lbs.	
Flammability:	Fire retardant –passes Cal TB 117	
Stain- and oil-resistant.		
Fluidproof, will not absorb moisture.		
Non-toxic. Latex-free. Lead-free.
